ARC Guidelines

Revision:

“Garage sales are permitted. They may not include items purchased for resale. The sale may not last longer than three days. Only two garage sales are allowed per individual homeowner in a calendar year. Borderline commercial sales aka a flea market are not permitted.

Items for the garage sale must be brought outside on the morning of the first day of the sale and returned inside the garage or behind a fence with no view from the street at the close of the day. Sale hours can only be from sunrise to sunset. Items are not to be left outside day and night for the duration of the sale.” (effective 7-1-10)
